2020 VISION: THE ROAD TO RENEWAL
CHANGING OURSELVES IN 2013

2013 *a year of*
**Regenerating
& Refreshing
Perspectives**

Welcome to 2013!

We have been making steady progress towards our 2020 Vision of transformation in society and 2013 is a great opportunity for another step along The Road to Renewal.

It's apt, therefore, for 2013 to be a year of *Regenerating and Refreshing Perspectives*, during which I am sure we will draw fresh inspiration. Energised in this way, and committing ourselves to continued, positive and personal change, I believe there's considerable scope to achieve even greater results.

I wish you much success and prosperity in your journey.

Dr Chan Abraham

President, Leadership International
Group Chief Executive, Luminus

Some things in life we have no control over. However, we can overcome this destructive feeling of powerlessness.

Since we can control how we think, what we say and what we do, we have immense power to change the world around us.
