Welcome to 2014!

We have been making steady progress towards our 2020 Vision of transformation in society and 2014 is a great opportunity for another step along The Road to Renewal.

It's apt, therefore, for 2014 to be *A Year of Reinforcing Priorities & Goals*.

2020 VISION: THE ROAD TO RENEWAL
CHANGING OURSELVES IN 2014

2014 *a year of*
A Year of Reinforcing
Priorities & Goals

**Take the
first step**

Imagine the excitement of a new start:
a past that throws no shadows; the
possibility of a different future from
the one that you feared.

The first step is to clarify what are
your priorities & goals – and,
importantly, to know why they are
driving your life's decisions.

*Open the door
to a new way*

What are the forces that push you along life's journey? Do you need to act to change the influence they have on the way you think, your actions and your habits?

Choosing to change could be the door to a new way of living.

*Don't be
distracted*

What really matters to you in this life?
How much of your activity is spent
in enabling you to stay true to those
priorities? For too many of us this
calculation shows a deficit.

That's when we need to reinforce our
priorities - and avoid being distracted
from pursuing them.

The peoples of Earth show a fascinating diversity of beliefs about what really matters. Whether grasping for survival or aspiring towards self-actualisation, each one's path is directed by their goals.

Crucially, these determine the person you are and the legacy you leave.

Can anyone really know the value of their goals in life? Perhaps some of the best goals are those that help to realise another person's hopes and dreams.

Set yourself free to choose to make someone else's life happier than your own.

Judge yourself. Check how much your priorities and goals serve you, compared to helping others along their journey.

Caution though - you will find this the path most definitely less travelled.

This is one of the secrets of soaring on eagles' wings through life.
